~

Coffee and Shop held on the 4th April

This was a great success with about a dozen children and a range of ages attending. The coffee and cake was popular and the sales stall did well. Colouring sheets were available and a nice café style seating area.

As a networking event for the Vicar, it was also very useful and people met and mingled.

We have planned another Coffee and Shop for the May Bank Holiday to allow parents with children to come again.

Anyone with donations, gifts, books, clothes, bric-a-brac etc, please ring Veronica on 663758 or Louise on 663743.

L. Mountford
