Parish Newsletter April 2018.

Imagine you had been one of the disciples...

Day One: Friday, you had watched Him be killed brutally in front of your eyes...

Day Two: You are suffering feelings of guilt and loss, could you have done more to save Him?

Day Three: Sunday you're standing outside His empty tomb having a chat with an angel who tells you that Jesus has 'risen from the dead'.

All of a sudden things Jesus had said to you before, start to make sense, 'the Son of Man must suffer many things...that He must be killed and after three days rise again'.

You realise this was supposed to happen; that actually this was the reason Jesus had been put on this earth. His death was part of God's plan to free mankind.

When Jesus died He made it possible for us to have a relationship with God, but when He came back to life it showed everyone that death was no longer in charge... 'it was impossible for death to keep its hold on Him'

Death and dying no longer had the last word; Jesus was now the last word.

If you belong to Jesus nothing can snatch you out of His hand. Before Jesus died and came back to life our sentence was one of death because of our bad ways; but now if we follow Jesus our sentence is life.

Listen to what he says,

'I have come that they may have life, and have it to the full'

We thank you for this Easter, Lord
as once more hope revives,
for the beauty and the joy
you bring into our lives.
This season has a healing touch
it eases heart and mind,
and we go forward hopefully,
the winter left behind... (Iris Hesselden)

Happy Easter....
